

Mountain Camp Woodside How to Complete Your Camper's Require Forms

To complete your campers' required forms, please first [Login](#) to your account. You can do so by clicking on the [Login](#) link at the top of the www.MountainCampWoodside.com website:

Scroll to the "Forms & Documents" section:

Mountain Camp Woodside How to Complete Your Camper's Require Forms

The required camper forms are **Bolded** and they are the “Health History” and the “Parent Consent and Medical Authorization.” Both can be completed online.

Please note, the “Health History form is extensive and it is recommended that you save your work as you go along.

(This is also how you tell the camp everything that we need to know to keep your camper while they are with us.)
